

# Cryptocurrency Demystified: Panel Discussion

**Date: Tues June 7th**  
**Time: 6:30pm-8:00pm**  
**Morrell Meeting Room**

**This event is free and  
open to the public.**

## Want to know more about cryptocurrency?

Join us to hear a panel of experts discuss Cryptocurrencies, the blockchain, and NFTs. This panel will be composed of legal experts, financial advisors, and cybersecurity professionals. Each will discuss their experience with these new technologies and concepts, before answering questions about the impact of cryptocurrencies and how they believe it will shape the future. There will be time for questions from the audience at the end.

### Our Panelists:

- Adam Nyhan and Barbara Schlichtmam, attorneys with Perkins Thompson, P.A. in Portland.
- Vincenzo Garganese, a fee-based financial planner for Baystate Financial in Portland.
- Sebastian Usami, owner of New England Secure in Brunswick, a managed IT company with a focus on security for all aspects of a businesses infrastructure.
